BROOKS WILLIAMS

"Ranked in the Top 100 Acoustic Guitarists, Brooks Williams is one of the most versatile and entertaining performers on the acoustic roots music scene today. . . . he is a proverbial triple threat: a fiery guitarist, a smooth-as-silk vocalist, and stunning songwriter. "
~ Spiral Earth.

Brooks Williams is a genre-defying guitarist singer songwriter. It's roots. It's acoustic. He walks the line between blues and Americana, but there's a bit of jazz and rockabilly thrown in for good measure. Imagine Doc

Watson, Willie Nelson, Lonnie Johnson and Blind Boy Fuller sitting in a bar having a jam — and you're just about there!

The *San Antonio Light* says that Williams is a "fret monster who has to be seen to be believed!" For 25 years he has been wowing audiences worldwide, every night delivering the deepest and most intense interpretations of everything from early blues to inventive covers to his own recent original compositions. *Dirty Linen* calls him one of "America's musical treasures."

In the time-honored road-warrior tradition, Williams has honed his songs on stages from Dallas to London, Istanbul to Anchorage, Toronto to Dublin, Detroit to Glasgow, New York to Sardinia. He has gigged with Taj Mahal, John Hammond, Eddi Reader, Little Feat, Maria Muldaur, Shawn Colvin, and Leo Kottke, to name but a few. Recent appearances include Ely Folk Festival, Birmingham Jazz and Blues Festival, Maverick Festival, Ards Guitar Festival, Kerrville Festival, Crawley Blues Festival, Marlborough Jazz Festival and Moab Folk Festival. All in all, thousands of gigs over thousands of miles!

Brooks Williams is a musician of staggering depth and breath, with an easy-going vocal delivery, groove-laden songs, and monstrous guitar chops. *AmericanaUK* says: "It goes without saying that he is an absolute master with a six string but Williams' talent doesn't end there. He is personable and funny and easy to relate to when he shares anecdotes in between songs, which are themselves catchy and upbeat. On top of it all he has a beautiful voice that you just melt into. Brooks Williams is impossible not to like."
