# JOHNSMITH

*"Darn you, Johnsmith! I'm driving on a gorgeous day, and put your new CD in to listen. 'Family Artifacts' reduced me to tears and made me pull off the road. . . . Your gift of writing deceptively simple songs that spring from a deep place in the soul is a rare one."*

~ Bob McWilliams, KPR (Kansas)

**Johnsmith** possesses a genius that cannot be denied, ignored, or overlooked. For the past thirty-plus years, he has been sharing his music all across America and abroad. He has become a favorite at festivals, clubs, and house concerts alike. In addition to being a Kerrville 'New Folk' Winner, Johnsmith has released seven solo CDs to rave reviews, leads musical tours to Ireland, teaches songwriting, and has served as a staff songwriter in Nashville.

With his faded jeans, his twinkly blue eyes, and his infectious smile, John immediately connects with audiences. You get the sense of a man who loves his life, his family and friends, and who loves nothing more than sharing that love in song and stories all across this land.

*"I don't know who this Johnsmith guy is. But after his album crossed my desk I feel like I do. Its heartfelt, well-written songs casually slipped into my CD player and didn't want to leave. They mirror life, and are sung by a voice so comfortable with them that they seem like old friends' stories that you've lived too."*

~John Porter, Performing Songwriter
